Dear Mr. Nuttall: *JOE*

My compliments to you and the members of the Stray Dog Society for putting together another memorable Jamboree this year.

Donna and I, along with so many others from The Citadel community, enjoyed the wonderful food, the great fellowship, and the terrific band. The Jamboree affords Citadel cadets, alumni, and supporters the opportunity to connect in a unique, fun atmosphere. As always, it was apparent that you paid a lot of attention to detail in planning and executing the event, and I know that the reunion classes were delighted to have one place where they could enjoy an evening reminiscing.

With appreciation for your support of our alma mater,

Sincerely,

John '73
